Leave the A 3 motorway at the Idstein exit and turn onto the B 275 in the direction of Taunusstein / Bad Schwalbach.

After approx. 5 km you will reach the village of Eschenhahn, and after a further 2 km, Neuhof. Keep attention to the integral speed trap. Turn left at the roundabout traffic towards "Siedlung Platte" and "Gewerbegebiet Triebgewann" and proceed along this road for approx. 500 m until you see Omicron, the last building on the left hand side.
